

# Amaferm<sup>®</sup> Digest More<sup>®</sup>

A pelleted form of Amaferm<sup>®</sup> for use in any livestock feeding situation to support digestive health, efficiency and animal performance.

## Recommended Feeding Directions:

Feed per directions on back of sheet.

## Guaranteed Analysis

Crude Protein.....19.0% Min.  
Crude Fat.....2.0% Min.  
Crude Fiber.....11.0% Max.  
Acid Detergent Fiber (ADF)....16.0% Max.

## Ingredients

Wheat Middlings, Dried Aspergillus oryzae Fermentation Product, Soybean Meal, Lignin Sulfonate, Natural and Artificial Flavors.

## Sizes Available

## Product #

5 lb. (2.3 kg) bucket	45729
15 lb. (6.8 kg) bucket	45727
50 lb. (22.7 kg) bag	45720

## Key Benefits:

Can be top-dressed or mixed in rations. Stimulates feed intake and conversion while maintaining health.

## The Amaferm<sup>®</sup> advantage.

Ideal for weaning and starting rations as well as performance rations. Natural ingredients with no drugs, hormones or antibiotics; safe for animals of all ages and production status.

## What value does it have in the animal?

Is fully compatible with antibiotics and ionophores. The unique mode of action of Amaferm is different from yeast, probiotics or other direct-fed microbials. Provides animals with optimized fiber digestion, improving animal production levels and health while maintaining required digestive health and function.
