

# END OF THE TRAIL

**PRODUCT CODE:** T99ET25 (25 lbs)

**FORM:** Textured

### APPLICATION:

A unique blend of fruits, grains, and powerful flavors that deer and wildlife cannot resist! For use as a wildlife attractant, primarily during the months of August through January.

### FEATURES AND BENEFITS:

- Provides highly digestible protein to help replace lost body mass during rut and improve digestion.
- Supplements energy to maintain weight during rut with a supercharged energy nugget and natural ingredients.
- Trail mix for deer with an irresistible aroma.
- Draws deer and wildlife from miles around and keeps them coming back.

### FEEDING DIRECTIONS:

Place product in areas that wildlife frequent. Keep fresh and remove any product that becomes wet or stale. For best results, ensure deer have access to Lick Magic vitamin and mineral supplement.

**WARNING:** CONTAINS COPPER. DO NOT FEED TO SHEEP.

Check local and state regulations concerning feeding wild deer in your area.
